PURCHASING CRITERIA

MENS FLANNELS ONLY

When looking at the unbuttoned flannel, are the buttons on the left or right?

- Left=men's
- Right=women's

MEN'S FLANNEL

WOMEN'S FLANNEL

FABRIC

Is the fabric soft to the touch?

Brushed cotton fabric only

Material:

- 100% cotton

No wool, I do not sell Pendleton flannels

No polyester, rayon or other synthetic materials

If the material contents are not on the neck tag, check the tag inside the shirt on the left seam

No heavy weight/thick flannels

No thin/dress shirts

WITULI

SOFT & SUSTAINABLE

PURCHASING CRITERIA

FLANNEL CONDITION

The shirt must be in good to great condition

No wear around the collar or cuffs

No holes

No bleach spots

No fabric snags

No pilling

No adornments (ex: buttons on shoulders, jewels, paint, vinyl, patches, etc)

OTHER THINGS TO NOTE

No red/black buffalo plaid

Solid colored flannel shirts OK

I'm open to all colors

I have a hard time finding & keeping up with the demand for orange, green, brown, feminine colors and anything with more white in it.

Sewn-in tags only. Nothing ironed on/screen printed in the neck

All shirts must have collars

No X-Small or Small sizes. All other sizes are OK, including 4X, 5X, & 6X
